JV DETAILS**Description:**

We look for a Bakery Manager to our industrial bakery in Gothenburg. In our bakery we have a large scale production of muffins, bread, buns and cakes. We also bake ecological and leaven. We bake within the company (to our own coffee-shops and café's), to external costumers and we are in an expansive phase. We look for a person who enjoys working independently with great responsibility. You will also take part in our product development. Today we have a working team of 4-5 persons in which you will take part in the daily work. As we give priority to high quality, we welcome you who likes to work with quality and are suitable to lead. We also appreciate if you have good experience from large scale production and are suitable to shoulder the responsibility in our coming expansion. There will be possibilities for your personal development should you be our next Bakery Manager. For this post we have individual wage setting. You're welcome to apply to a challenging job in an expansive company! If you become employed, we can help you to find an apartment to rent.
