

Summary

Title: SAP CONSULTANT

Description:

Cosentino, first world producer of Silestone® quartz surfaces, is a family-owned and wholly Spanish group. Cosentino focuses on the design, production and distribution of surfaces for kitchens and bathrooms from innovative solutions that provide design, brand value to inspire the lives of their clients. The group bases its development on international expansion and an innovative research program, which applies the most advanced technology for obtaining new materials. Cosentino Group is looking for a SAP Consultant. Tasks: Analysis and improvement of the process, to find solutions to the business process of the company, to identify and use opportunities to improve all fields of the company, and to guarantee the correct implementation of IT solutions, assuring their best use. Therefore, the ideal candidate must be able to communicate with users of SAP MM/SD/CRM modules, to define and customize authorised roles, to train the users, to customize and maintain the module and to evaluate, design and implement scenarios for recurrent situations. Candidates must have an Engineering or Economy University Degree, MM and SD knowledge of SAP (CRM and SRM are a plus), and at least 3-5 years of experience in a similar position. We offer: Training in SAP Technology, professional evolution, work in a Spanish multinational using high technology in an excellent high qualified professional team and an attractive salary, according to the experience. HIGH LEVEL OF ENGLISH IS A MUST.
